Практическая часть

Лексико - грамматическое задание - заполнение пропуска в связном тексте путём преобразования предложенной начальной формы слова в нужную лексико-грамматическую форму

Критерии оценки устного ответа

Ответ на каждый вопрос оценивается отдельно по пятибалльной шкале. Общая экзаменационная оценка выводится из оценок за выполнение каждого из двух вопросов билета и является их среднеарифметическим.

Первый вопрос билетов

Оценивается отдельно ответ на каждый из пяти вопросов интервью.

При оценивании выполнения заданий следует учитывать такой параметр, как объём устного высказывания.

Требуемый объём для ответа – 2-3 фразы в ответе на каждую реплику интервьюера, в которых отсутствуют элементарные лексико-грамматические и/или фонетические ошибки.

Если ответ на вопрос не дан, ИЛИ содержание ответа не соответствует запросу информации, ИЛИ ответ содержит менее 2 фраз, ИЛИ в ответе имеются элементарные лексико-грамматические и/или фонетические ошибки (в том числе, когда ответ носит характер набора слов), экзаменуемый отвечает одним словом, одним словосочетанием или одной фразой, то такой ответ оценивается 0 баллов.

Отметка «5» ставится, если дан полный и точный ответ на каждый из пяти вопросов интервью.

Отметка «4» ставится, если дан неполный ответ на вопрос интервью, допущены неточности, негрубые лексико-грамматические и/или фонетические ошибки.

Отметка «3» ставится, если даны ответы не на все вопросы (2-3 ответа).

Отметка «2» ставится, если в ответе допущены грубые лексико-грамматические и/или фонетические ошибки или ответ полностью на каждый вопрос отсутствует.

Оценивание грамматического задания

Правильное выполнение каждого из заданий 1-13 оценивается 1 баллом. Задание считается выполненным верно, если ответ записан в той форме, которая указана в инструкции по выполнению задания, и полностью совпадает с эталоном ответа. За неверный ответ, ответ, записанный с ошибкой, или отсутствие ответа выставляется 0 баллов.
